AFGHAN WIRELESS EXPANDS POPULAR LOCATION BASED SERVICES PLAN TO BADGHIS PROVINCE

Flat-Rate 40 AFN In-Network Voice Calls Now Available to AWCC's Badghis Business and Consumer Clients

Kabul, Afghanistan ? July 5, 2016 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder of Afghanistan's mobile communications market and a leading provider of voice, data and mobile payment services to over 5,000,000 consumers and businesses, today announced that the Company's popular Location Based Service Calling Plan is now available to AWCC's clients in Badghis Province.

AWCC's Location Based Services Plan allows AWCC customers to make in-network voice calls to any other AWCC number, for one flat, affordable rate. Now, AWCC's Badghis based business and consumer clients can make in-network calls for 40 Pols per minute, with a daily rental fee of 3AFN. Clients residing in Badghis, Farah, Herat and Nimroz Provinces can enroll in the Location Based Services Plan by sending the following subscription code from their Afghan Wireless Device:

Province Name	Price/Min	Daily rental	Activation	De-activation
Badghis, Herat, Farah & Nimroz	40 Pols/Min	3 AFN	*555*2*1#	*555*2*2#

The expansion of Location Based Services to Badghis Province is the latest example of AWCC's determination to provide its clients with the most innovative and effective communications services. During the first half of 2016, Afghan Wireless has launched a new generation of global-class communications products and services, including AWCC Top Sim, Expanded Prepaid Data Roaming, Caller Ringback Tone, Gmail on SMS and many more. For a complete list of AWCC's Communications Products and Services, please visit the Afghan Wireless website: www.afghan-wireless.com

About Afghan Wireless:

Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), is Afghanistan's first wireless communications company and the founder of Afghanistan's wireless communications market.
