

Afghan Wireless And Apple: A Winning Combination For Our Clients

If you're a fan of Afghan Wireless and Apple, we have great news for you! Now, the latest version of our My Afghan Wireless Mobile App is available for download from The Apple Store. Optimized for the iPhone5, the Apple version of My Afghan Wireless is also compatible with the Apple iPad and iTouch.

Afghan Wireless is the only mobile company in Afghanistan, with a Mobile App that is compatible and available for download from every major operating system: Android, iOS, Windows Phone and Blackberry.

Phones and operating platforms may differ, but the My Afghan Wireless App delivers the same excellent experience to every client. The My Afghan Wireless App is fast and free: there are no data or per minute charges for using the service. You can use the My Afghan Wireless App to access a full range of account management features, including:

- Check Your Balance and SIM Status

- Purchase Afghan Wireless Voice and Data Plans

- Review or Change Your Service Plan

- Add, Change or Delete Account Features and Services

- Review Your Account History

- Contact Afghan Wireless Customer Care

Fast, Free and On-Demand Account Management. With the My Afghan Wireless App now available at The Apple App Store.

My Afghan Wireless and Apple: one of the many ways we here at Afghan Wireless connect you with winning technologies and our wide, wonderful world.

Until next time,

Ehsan
