

AFGHAN WIRELESS ANNOUNCES INCREASED TUITION ASSISTANCE FOR EMPLOYEES AWCC Employees Enrolled In Bachelors and Masters Degree Programs To Receive Significantly Higher Tuition Rebates and Discounts

Kabul, Afghanistan?April 12, 2018?Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), Afghanistan's first mobile communications company, the founder of Afghanistan's mobile communications sector, and Afghanistan's **only** provider of 4G LTE HD Voice, data, entertainment and mobile payment services to over 5,000,000 consumers and businesses, once again demonstrated its strong commitment to the educational and professional development of its employees, by announcing increased tuition payment assistance for all AWCC employees attending **Kardan University** and **Rana University**.

AWCC employees who are currently enrolled in Bachelors Degree or Masters Degree programs offered by Kardan University or Rana University are now eligible for the following tuition discounts and tuition rebates:

Kardan University:

AWCC employees who are currently enrolled in a Bachelors Degree or Masters Degree program at Kardan University will receive a monthly tuition rebate of 2000 AFS on tuition costs for Bachelors Degree programs. AWCC employees pursuing a Masters Degree will receive a monthly tuition rebate of 3500 AFS.

Rana University:

AWCC employees enrolled in a degree program at Rana University will receive a discount of forty percent on all tuition charges.

?AWCC is proud to support the efforts of every one of our employees who are studying for their university degree,? said Mr. Amin Ramin, the Managing Director of Afghan Wireless. ?Providing educational opportunities to every AWCC employee is essential for building a stronger company and a better Afghanistan.?

About Afghan Wireless:

The Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com) is Afghanistan's first wireless communications company and the founder of Afghanistan's wireless communications market.
