

AFGHAN WIRELESS INCREASES ITS FIRST TO MARKET LEADERSHIP WITH LAUNCH OF NEW INTERNET, SMS, ENTERTAINMENT AND VOICE COMMUNICATIONS SERVICES

Kabul, Afghanistan ? May 30, 2016 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder of Afghanistan's mobile communications market and a leading provider of voice and data services to over 4,000,000 consumers and businesses, announced the launch of nine new service innovations, which will provide AWCC's business and consumer clients with faster communications and a greatly expanded range of Internet access plans, entertainment and SMS applications.

AWCC Top Sim:

Celebrated in song by **Shahzad Adeel**, AWCC Brand Ambassador and popular musical artist, AWCC's Top Sim service provides Afghan Wireless customers with a range of options, including In-Network calls for the low rate of 1AFN per minute, and Out of Network calls for just 2AFN per minute. Top Sim users also have access to 4.90AFN International calling plans that can be valid in the following countries: Pakistan, India, China, USA, Canada, Malaysia, Bangladesh, Germany (Landline Only), UK (Landline Only), Singapore and Hong Kong.

Top Sim can be purchased from any Afghan Wireless Brand Shop.

AWCC Minutes Packages: Maximum Minutes, Minimum Costs:

Now, our Afghan Wireless Prepaid customers can purchase new Daily or Monthly Minute Plans. AWCC's Daily Minute Plans offer 75 minutes of calling time for 25AFN, while AWCC's Monthly Pack provides 6000 minutes of In-Network airtime for 499AFN. Customers can purchase Daily Minute Packages by dialing *233*1*1 and Monthly Minute Packages by dialing *233*2*1# from their Afghan Wireless device.

AWCC Night Surf Bundles:

Customers can purchase AWCC's Night Surf Internet Bundles, and enjoy 1GB of high speed Internet service for only 20 AFN. AWCC's Night Surf Service features auto-renewals and is available to all Afghan Wireless Prepaid customers. Customers can opt-in for AWCC's Night Surf Bundles promotion by texting '?N1GB,' to 151 from their Afghan Wireless number.

Prepaid Data Roaming:

AWCC's Prepaid clients will now be able to use their data plans in ten countries, for as little as 3AFN/10KB. Afghan Wireless customers can activate the Prepaid Data Roaming feature by dialing 152 from their Afghan Wireless device.

Super WiFi: Expanded Service for Kabul and Khost Provinces:

Expanded Super WiFi data packages, from 50MB to 150GB, are now available for AWCC's clients based in Kabul and Khost provinces. AWCC's Super WiFi service combines fast connectivity and deep, robust signal service to provide AWCC's clients with Afghanistan's most advanced, high speed communications network. Additional information about AWCC's Super WiFi services is available from: <http://afghan-wireless.com/internet-3g2g/wifi-zone/> and by dialing 123 from any Afghan Wireless device.

Afghan Wireless USB Modem:

Afghan Wireless' USB Modem makes mobile connectivity to the Internet fast, easy and affordable. Universally compatible with Desktop and Laptop computers, Afghan Wireless' USB Modem enables access to the Internet from any location in Afghanistan. For more information about AWCC's USB Modem service, please visit:

AWCC Caller Ringback Tone Service (CRBT):

Select your favorite song from AWCC expansive music library and use it as the ringtone that identifies a family member or a special friend. Customers can access AWCC's CRBT Service by dialing 8282 from their Afghan Wireless device.

AWCC Mobile Radio:

AWCC mobile Radio transforms your Afghan Wireless mobile device into your own personal stereo. Listen to your favorite music, anytime and anywhere. Subscribing to AWCC Mobile Radio is easy just dial 6677 from your Afghan Wireless Device.

AWCC Job Portal:

AWCC's Job Portal is a service where customers can receive job alerts which match their search criteria. Charges apply 10 AFN/7 days & 30 AFN/30 days. To subscribe, just dial 7171 from your Afghan Wireless device.

Afghan Wireless is committed to developing the most cutting-edge technologies, services and solutions which provide our customers with the highest quality communications services available in Afghanistan, said Mr. Amin Ramin, AWCC's Managing Director. Our Company is dedicated to connecting our fellow Afghans. Together, we'll keep creating the ideas and opportunities that keep Afghanistan moving forward.
