

AFGHAN WIRELESS LAUNCHES 3.75G+ HIGH SPEED COMMUNICATIONS SERVICES IN HERAT REGION

Herat Becomes Nineteenth Province To Join AWCC's Global Class 3.75G+ Network

Kabul, Afghanistan ? February 1, 2017 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder of Afghanistan's mobile communications market and a leading provider of voice, data, entertainment and mobile payment services to over 5,000,000 consumers and businesses, announced today that the Company has expanded its renown 3.75G+ high-speed network to Herat Region.

The extension of AWCC's 3.75G+ high-speed network service to Herat is the latest example of AWCC's ability to deploy global-class, high-speed communications services throughout the nation. Currently, AWCC's 3.75G+ high-speed service is now available in nineteen provinces:

Kabul, Kandahar, Helmand, Farah, Jalalabad, Kunar, Laghman, Konduz, Baghlan, Badakhshan, Nimroz, Takhar, Zabul, Mazar-e-Sharif, Khost, Urozgan, Paktika, Paktia and Herat.

AWCC's Business and Consumer clients in Herat can now use AWCC's 3G and 3.75G+ high-speed service to send and receive the largest data files, access the fastest download speeds and utilize an array of the most innovative file sharing, streaming, video and data services. AWCC's clients can learn more about how to use their new high speed service, by reading the Company's Frequently Asked Questions (FAQ), Information Sheet: <http://afghan-wireless.com/internet-3g2g/3g-internet/3g-faqs/>.

In addition, AWCC's Herat clients will now have access to calling plans featuring **AWCC HD VOICE** Services. AWCC is the only network in Afghanistan to offer HD Voice, coupled with the fastest broadband 3.75G+ network.

“Now, our clients in Herat can access AWCC's 3.75G+ network, and enjoy the fastest, most reliable high speed communications network available in Afghanistan,” said Mr. Amin Ramin, the Managing Director of AWCC. “Launching 3.75G+ service in Herat is the latest success in our strategy to deploy AWCC's unique and leading brand of high speed communications services in every province of Afghanistan.”
