

AFGHAN WIRELESS LAUNCHES 3.75G+ HIGH SPEED COMMUNICATIONS SERVICES IN UROZGAN PROVINCE

Urozgan Becomes Sixteenth Province To Join AWCC's Global Class 3.75G+ Network

Kabul, Afghanistan ? July 5, 2016 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder of Afghanistan's mobile communications market and a leading provider of voice, data and mobile payment services to over 5,000,000 consumers and businesses, announced today that the Company has expanded its 3.75G+ high-speed network to Urozgan Province.

The extension of AWCC's 3.75G+ high-speed network service to Urozgan is the latest example of AWCC's determination to provide our compatriots throughout Afghanistan with the most technologically advanced communications services. AWCC's 3.75G+ high-speed service is now available in sixteen provinces: Badakshan, Baghlan, Balkh, Farah, Helmand, Jalalabad, Kabul, Kandahar, Khost, Kunar, Kunduz, Laghman, Nimroz, Takhar, Urozgan and Zabul Provinces.

AWCC's Business and Consumer clients in Urozgan can now use AWCC's 3G and 3.75G+ high-speed service to send and receive the largest data files, access the fastest download speeds and utilize an array of the most innovative file sharing, streaming, video and data services. AWCC's clients can learn more about how to use their new high speed service, by reading the Company's Frequently Asked Questions (FAQ), Information Sheet: <http://afghan-wireless.com/internet-3g2g/3g-internet/3g-faqs/>.

In addition, AWCC's Urozgan clients will now have access to calling plans featuring **AWCC HD VOICE** Services. AWCC is the only network in Afghanistan to offer HD Voice, coupled with the fastest broadband 3.75G+ network.

?Launching AWCC's 3.75G+ high-speed network in Urozgan demonstrates our commitment to provide all Afghans with the most advanced communications services,? said Mr. Amin Ramin, the Managing Director of AWCC. ?Afghan Wireless is committed to being a positive force which will always contribute to Afghanistan's economic growth and progress.?

About Afghan Wireless:

The Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com) is Afghanistan's first wireless communications company and the founder of Afghanistan's wireless communications market.
