

AFGHAN WIRELESS LAUNCHES 3.75G+ HIGH SPEED COMMUNICATIONS SERVICES IN MAIMANA CITY

Maimana Becomes Twentieth Region To Join AWCC's Global Class 3.75G+ Network

Kabul, Afghanistan ? August 30, 2017 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder of Afghanistan's mobile communications market and a leading provider of voice, data, entertainment and mobile payment services to over 5,000,000 consumers and businesses, announced today that the Company has expanded its renown 3.75G+ high-speed network to Maimana City.

The extension of AWCC's 3.75G+ high-speed network service to Maimana City is the latest example of AWCC's ability to deploy global-class, high-speed communications services throughout the nation. Currently, AWCC's 3.75G+ high-speed service is now available in twenty provinces: Badakshan, Baghlan, Balkh, Farah, Helmand, Herat, Jalalabad, Kabul, Kandahar, Khost, Kunar, Kunduz, Laghman, Maimana City, Nimroz, Paktia, Paktika, Takhar, Urozgan and Zabol Provinces.

AWCC's Business and Consumer clients in Maimana City can now use AWCC's 3G and 3.75G+ high-speed service to send and receive the largest data files, access the fastest download speeds and utilize an array of the most innovative file sharing, streaming, video and data services. AWCC's clients can learn more about how to use their new high speed service, by reading the Company's Frequently Asked Questions (FAQ), Information Sheet: <http://afghan-wireless.com/internet-3g2g/3g-internet/3g-faqs/>.

In addition, AWCC's Maimana City based subscribers will now have access to calling plans featuring **AWCC HD VOICE** Services. AWCC is the only network in Afghanistan to offer HD Voice, coupled with the fastest broadband 3.75G+ network.

?Now, our clients in Maimana City have access to AWCC's 3.75G+ network, which is the fastest, most reliable high speed communications network available in Afghanistan,? said Mr. Amin Ramin, the Managing Director of AWCC. ?We're determined to bring AWCC's unique, world-class brand of high speed communications services to every person living in every region of Afghanistan.?

About Afghan Wireless:
