

AFGHAN WIRELESS LAUNCHES EXCITING ENGLISH PREMIERE LEAGUE CONTEST AND NEW FACEBOOK OVER USSD SERVICE

EPL Contest And Facebook Service Highlight AWCC's Commitment To Promoting Innovation Within Afghanistan's Wireless Communications Sector

Kabul, Afghanistan?December 27, 2016?Afghan Wireless Communication Company (www.afghan-wireless.com), the founder of Afghanistan's mobile communications sector and the nation's mobile communications leader with over 5,000,000 business and consumer subscribers, continues to drive mobile services innovation within Afghanistan with the launch of two new Entertainment and Communications offerings: **English Premiere League Predict and Win Contest** and **Facebook over USSD Service**.

EPL Predict and Win: A Great Contest with Great Prizes:

English Premiere League Football broadcasts are available exclusively from Afghan Wireless and Ariana Television. Now, with AWCC's **EPL Predict and Win Contest**, every Afghan Wireless subscriber can cheer on their favorite team and become eligible to win great prizes, including Afghan Wireless Top-Up Cards and Smartphones.

Afghan Wireless subscribers can receive additional information about AWCC's EPL Predict and Win Contest by dialing 152 from their Afghan Wireless handset.

Facebook over USSD:

AWCC's Facebook via USSD Service allows Afghan Wireless Subscribers to access their Facebook accounts without the need for an Internet connection. Subscribers can use AWCC's Facebook over USSD Service to check status updates, post, receive birthday notifications and check friend requests.

AWCC's Facebook over USSD is available as a daily, weekly or monthly subscription service. AWCC clients can enroll in Facebook over USSD by dialing *404#, from their Afghan Wireless handset and then selecting from one of the subscription plans below:
