

AFGHAN WIRELESS LAUNCHES INNOVATIVE LANGUAGE LEARNING SERVICE

Interactive, Subscription Based Service Gives AWCC Subscribers Opportunities To Learn English, French And Arabic Languages

Kabul, Afghanistan, August 26, 2016? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the founder of Afghanistan's mobile communications sector, and a leading provider of communications, mobile payment and entertainment services to consumers and businesses, announced today that the Company has launched **the Afghan Wireless Language Center**, a voice-based educational service which Afghan Wireless subscribers can use to learn the English, French and Arabic languages.

The Afghan Wireless Language Center is available as a daily, weekly or monthly subscription based service. AWCC clients can access the Afghan Wireless Language Center by dialing 5757, and then, select the language learning plan appropriate to their interest:
