

AFGHAN WIRELESS OPEN ITS FLAGSHIP BRAND SHOP IN KABUL CITY (GUL BAHAR CENTER)

AWCC, Afghanistan's Largest, Most Advanced 4G LTE Network Continues Rapid Expansion of world Class Communications Services throughout the Nation

Kabul, Afghanistan?March 15, 2020?Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), Afghanistan's first mobile communications company, the founder of Afghanistan's mobile communications industry, and Afghanistan's **largest** provider of 4G LTE HD Voice, data, entertainment and mobile payment services to over 5,000,000 consumers and businesses, announced the opening of its Flagship Brand Shop in Kabul located on the 1st floor 2nd hall of Gul Bahar Center.

This Flagship store offers many firsts from a VIP waiting area, a separate Experience Zone to experience the fastest 4.75G+ Speed with the latest devices to enjoying a first ever in Afghanistan 3D Hologram projector and a banking grade My Money counter as well as another dedicated counter for corporate requests.

The leadership of AWCC headed by Dr. Ehsanullah (Bayat), the founder of Afghan Wireless, praised the entire project team for their achievement, stressed the strategic importance of enhancing customer experience and focusing on always placing customers at the center.

?Afghan Wireless has the Nation's largest and most advanced 4G LTE communications network,? Mr. Ehsanullah Bayat said. ?AWCC will continue to extend our Brand Shops?and our leadership in the communications sector?so that our communications, mobile payments and innovative solutions become available to every Afghan at an affordable price, everywhere throughout our nation.?

About Afghan Wireless:

The Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com) is Afghanistan's first wireless communications company and the founder of Afghanistan's wireless communications market. Launched in 2002 by Mr. Ehsan Bayat, Chairman of The Bayat Group (www.bayat-group.com), AWCC provides 4G LTE, 3.75G+, 3G, 2.5G, Voice, Data, Internet and Mobile Payment Services to more than five million Business and Consumer Clients, located in all of Afghanistan's thirty-four provinces. The Company has global partnerships with 425 wireless carrier networks in 125 countries.
