AFGHAN WIRELESS REWARDS SUBSCRIBERS WITH 2000 AFN SIM CREDIT AND NEW OFF PEAK DATA BUNDLES

Company Continues Sector Leadership, Delivers More Services, More Value and More Innovation To Subscribers

Kabul, Afghanistan ? August 13, 2017 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder and leader of Afghanistan's mobile communications industry, announced the debut of two new subscriber and data plan services designed to provide AWCC's 5,000,000 subscribers with more services, more value and more innovation:

Re-Connect With Afghan Wireless?And Receive 2000 AFN!

AWCC subscribers who haven't used their AWCC SIM Card for 45 days or more, can now re-connect with Afghan Wireless and receive a credit of 2000 AFN. Subscribers who re-activate their AWCC SIM with a top up payment of 100 AFN or more, will receive a 2000 AFM Credit to their AWCC account balance.

For more information about this limited time offer, just dial 152 from your Afghan Wireless device, or visit the Afghan Wireless website at www.afghan-wireless.com

AWCC Off-Peak Data Bundles: Surfing At Night Done Right:

With AWCC's new Off-Peak Night Data Bundles, surfing the Internet between 12:00 AM and 7:00AM is easier and more affordable than ever.

AWCC's Off-Peak Night Data Bundles can be purchased as a Daily, Weekly or Monthly subscription. Priced from 25 AFN to 199 AFN, and available in 500MB, 1.5GB and 4GB packages, AWCC's Night Data Bundles provide the best value for surfing the Internet during off-peak periods.

AWCC subscribers can activate their AWCC Off-Peak Night Data Bundles subscription by sending the following codes from their Afghan Wireless device:
