

Contract Of National Fiber Optics Investment License Signed Between ATRA And AWCC

At the ceremony held at presidential palace in the presence of HE Ashraf Ghani on March 18, 2018; Afghan Wireless is pleased to announce the signing of the license between AWCC & ATRA for the Installation & Operation of a Fiber Optic Transmission Network across Afghanistan.

Another delightful day and yet another milestone achieved by AWCC - As part of our pledge to "Invest Back" in the development of Afghanistan"
