MORE SERVICES, MORE INNOVATION AND MORE VALUE: AFGHAN WIRELESS LAUNCHES UNLIMITED CHAT AND NEW GENERATION TOP-SIM SERVICE

Kabul, Afghanistan ? October 13, 2016 ? Afghan Wireless Communication Company (AWCC) (www.afghan-wireless.com), the nation's first mobile communications company, the founder of Afghanistan's mobile communications market and a leading provider of voice, data, mobile payment and entertainment services to over 5,000,000 consumers and businesses, announced the debut of two new promotions designed to provide subscribers with innovative and affordable communications solutions: **Unlimited USSD Chat** and a refreshed **AWCC Top-Sim** option that is filled with new features and value.

Top-Sim: More Services and More Value:

The new generation of AWCC's popular Top-Sim service now provides subscribers with best-in-market 4.90AFN international calling rates to eleven countries, and a 0.75AFN rate for any calls and texts made to a preferred number. For more information about AWCC's Top-Sim solution, please visit http://afghan-wireless.com/personal/plans/prepaid/ and you can subscribe to AWCC's Top-Sim Service by dialing*255*5*1#, from any Afghan Wireless number.

AWCC Unlimited USSD Chat:

Available as a special promotion for AWCC subscribers, AWCC's Unlimited Chat Service provides users with unlimited chat usage for the first three days of the service subscription period. After the end of the three-day promotional period, subscribers can use the AWCC USSD Chat feature at a rate of 3FN per day. For more information about the Unlimited Chat Services, please visit www.afghan-wireless.com and you can subscribe to Unlimited USSD Chat by dialing *466# from any Afghan Wireless number.

?Once again, AWCC is leading the industry by providing our customers with more choices, more innovation and more affordable services,? said Mr. Amin Ramin, Managing Director of AWCC. ?And we're determined to provide our subscribers with more ways of connecting and communications with the world in the days ahead.?

About Afghan Wireless:

Afghan Wireless Communication Company (AWCC) (**www.afghan-wireless.com**), is Afghanistan's first wireless communications company and the founder of Afghanistan's wireless communications market. Launched in 2002 by **Dr. Ehsanollah Bayat**, Chairman of the **Bayat Group** (**www.bayat-group.com**), AWCC provides 2.5G, 3G and High-Speed 3.75G+ Voice, Data, Internet and Mobile Payment Services to more than five million Business and Consumer Clients, located in all of Afghanistan's thirty-four provinces. The Company has global partnerships with 425 wireless carrier networks in 125 countries.
